

Michael "Mick" Eugene Miller

March 29, 1960 - May 10, 2016

Mick Miller, age 56, unexpectedly passed away accidentally in his residence in Anaconda.

Born on March 29, 1960 to Arlene and Lester Miller of Anaconda. Starting at a young age, Mick's big heart was always watching over family and friends. Never looking for trouble, but would finish it. Mick spent most of his childhood out in the mountains with family and friends. As he grew older, Mick lettered in wrestling and took up boxing.

Mick brought into this world four amazing children. First Jessica, by his high school sweetheart Kim Mehrens, second Ashly, third Bradly by his true love Colleen Steinke, who left this world too soon of cancer. He soon found love again with Jodi Murphy having his fourth child Jaylin. Mick was an avid outdoorsman. Summertime camping, fishing and showing off his victory, spending time up at Silver Lake with friends and family. In the fall, Mick pursued his real passion, chasing elk in the rut with his little nephew Jeff who he considered one of his own. He also went rifle hunting with his best friend/father Lester. Once the snow flew, Mick looked forward to playing in the snow on his snowmobiles with friends and family. Mick also enjoyed taking rides with his family.

Mick started his work life at Fairmont bussing tables and various tasks. From there he went to work at Stolze Land and Lumber running the buzz saw. He then moved back to Anaconda and started his career for the State at Warm Springs, then transferred to the Montana State Prison where he worked in the laundry until he retired in March of 2013 after 32 years. Mick then started bartending at the JFK Bar for his "fun money."

Mick had a great passion for life and lived everyday as if it was his last with no regrets.

Mick is survived by his mother Arlene, his kids Jessica, Ashly, Bradly and Jaylin, best friend/little nephew Jeff, grandkids Ryen, Faith, Presley and first grandson Beckett and his last love Ann Wareham.

Mick was preceded in death by Colleen Miller (wife). Mick was reunited in heaven with his

best friend/father Lester Miller on Thursday, May 12th, 2016. They both will be greatly missed.

In lieu of flowers, a college fund will be set up for Jaylin Miller (daughter) at the SouthWest Montana Credit Union 1035 W. Park, Anaconda, MT 59711.

Funeral Services will be held at 11:00 a.m. on Friday, May 20, 2016 in conjunction with his father, Lester Miller at the Grace Baptist Church, 501 Cedar St., Anaconda.

Visitation will begin on Thursday at 5:00 p.m. at the Longfellow Finnegan Funeral Home and one hour prior to the services at the church.

“ One dark night, all the cousins were gathered at Uncle Alex's farm...or at least it seemed like an incredibly huge farm to us city slickers. We went outside to play hide and seek on the large haystack and surrounding pens and barns that proved ever so frightening in the twilight hours. Mick knew I was shaking in my small shoes and took me by the hand. We scaled up the side of the haystack and hid in a small opening. We were being quiet as church mice trying with all our might not to be detected. We giggle and laughed silently in the dark. Just before being discovered, Mick placed a gentle kiss on my cheek. Well unbeknownst to me, we had been discovered and the small smack had been witnessed and actually encouraged. We were teased unmercifully by our cousins and since it was technically my first "guy" kiss, my tender young heart was somewhat conflicted. I think the term "kissing cousins" came up more than once through the next few decades. I remember this moment like it was yesterday, and it created a bond between Mick and I that lasted into adulthood. I loved my cousin Mick from that tender time and never stopped. I will miss you Mick.

“ To Micks family,

We're sorry for your loss. We're going to miss Mick and Lester in the Big Hole valley. They were good friends and great people to visit with when they were out our way hunting and snowmobiling. Please know that you're in our thoughts and we will keep Lester and Mick in our memories.
